COLLECTION NOTE

This collection documents the activities of the Folk Arts in Rural Libraries Project conducted through the six county libraries of the Kentuckiana District from 1983 to 1984. Information was collected about folk artists in the following counties: Anderson, Breckinridge, Hardin, Henry, Larue, Marion, Meade, Nelson, Shelby and Washington. The project was funded by grants from the National Endowment for the Arts, the Kentucky Arts Council, and the Kentucky Department for Library and Archives. The coordinator and researcher was Robert Cogswell. Included are lists of folk artists, slides and slide inventories. The slides document festivals at which artists demonstrated their work. Administrative materials include a formal introduction to the project, a final report detailing the artists included, audience information and expenditures from the various counties and an impact statement.
